SPORTS & LEISURE MANAGEMENT

Do you want to pursue a career following your passion for sports and recreation? Sports and Leisure Management is a great choice for students interested in pursuing a career in sporting and outdoor-related fields.

The Associate of Science (A.S.) degree in Business and Technology with a concentration in Sports and Leisure Management at Motlow State Community College is designed to prepare you for transfer to a university through the Tennessee Transfer Pathway (TTP). TTPs enable you to complete your degree at Motlow and then seamlessly transfer to any Tennessee public, and many private, universities to complete your bachelor's degree.

Earning an associate's degree in sport and leisure management helps you gain the analytical thinking skills and communication abilities needed to be successful in this industry. Sports and leisure management is a broad area covering just about every aspect of sports and recreation. Managers work with professional teams, marketing firms, finances, colleges and universities, community recreation departments, health clubs, and fitness centers.
