

Attendance of spectators is allowed for Motlow State outdoor athletic events.

In accordance with CDC guidance, [When You've Been Fully Vaccinated | CDC](#), fully vaccinated individuals are not required to wear masks on TBR or Motlow State Community College campuses.

TBR and Motlow State Community College recommend that those individuals who have not been vaccinated do so as soon as possible.

TBR and Motlow State Community College highly encourage those who have not been fully vaccinated to continue to wear a mask and to engage in social distancing, both to protect themselves and others.

Protecting the health and safety of the Motlow community and the communities at large is a Motlow priority. Therefore, spectators must comply with all Motlow, CDC, and state guidelines.
