ARTICULATION AGREEMENT

TENNESSEE COLLEGE OF APPLIED TECHNOLOGY - HARTSVILLE

AND

MOTLOW STATE COMMUNITY COLLEGE

**Articulation Agreement
Tennessee College of Applied Technology - Hartsville
and
Motlow State Community College**

This articulation agreement outlines the bridge program between the Tennessee College of Applied Technology (TCAT) Hartsville and Motlow State Community College (MSCC). The agreement specifies which courses may be transferred into the Mechatronics program.

TCAT Hartsville students who complete the Industrial Maintenance Program outlined in this articulation agreement are given academic credit for courses as described below. In the event of program revisions at TCAT Hartsville or MSCC, this agreement is subject to revision. This agreement is in accordance with guidelines established by the Tennessee Board of Regents (TBR) for articulation agreements between community colleges and colleges of applied technology.

TCAT Hartsville has aligned their credentialing of students with the Siemens Mechatronic Level 1 program. Once a Hartsville TCAT student passes the Siemens Level 1 certification exam and graduates, they will be credited for four courses as described below. Once a Hartsville TCAT student passes the Siemens Level 1 exam, they will not be required to take challenge exams in order to obtain credit for the four courses as described below.

In order to be eligible for these courses, the student must have an

- Industrial Maintenance Technical diploma from the Tennessee College of Applied Technology in Hartsville
- A completed application and admission acceptance letter to Motlow State Community College

Upon successful completion of the Industrial Maintenance Program and the Siemens Level 1 certification, the student will be granted credit for the courses listed below.

MECH 1310 Electrical Components	3 credit hours
MECH 1320 Mechanical Components and Electrical Drives	3 credit hours
MECH 1330 Electro-pneumatic and Hydraulic Control Circuits	3 credit hours
MECH 1340 Digital Fundamentals and PLCs	3 credit hours

This articulation agreement recognizes the following course work is needed to complete the certificate and AAS degree in Mechatronics at MSCC.
